Pet House Series

Our Legacy

01

Company Establishment

ZEHONG (PUTIAN) MANUFACTURING CO., LTD. has been a beacon of excellence in the wooden products industry since 2015.

Our journey began with a vision to craft not just products, but legacies that stand the test of time.

02

Location Advantages

Strategically situated in Putian, Fujian, our company benefits from the proximity to rich timber resources, ensuring a steady supply of high- quality raw materials.

This location has been instrumental in our growth and success.

Core Products

Diverse Product Range

We specialize in a variety of wooden products, including Wooden Beehives, Wooden Pallets & Crates, Custom Wooden Furniture, Wine Barrels & Storage Solutions, and Specialty Wooden Crafts. Each product reflects our commitment to quality and craftsmanship.

1

Customization Capabilities

At ZEHONG, we understand that every client is unique.

Our customization services allow us to tailor our products to meet specific market requirements, ensuring that each piece is as individual as our customers.

Assembly

01

Hand-Crafted Joinery

Our assembly process combines traditional craftsmanship with modern techniques, resulting in products that are not only functional but also a testament to the skill of our artisans.

02

Automated Reinforcement

To enhance the strength and durability of our products, we employ automated reinforcement techniques that provide an extra layer of security without compromising on design.

Surface Finishing

01

Eco-Friendly Stains/Paints

We are committed to eco- friendly practices, using stains and paints that are not only safe for the environment but also enhance the natural beauty of the wood.

02

UV Coating

To protect our products from wear and tear, we apply a UV coating that adds a layer of resilience, ensuring that each piece retains its finish for years to come.

Quality Inspection

Dimensional Checks

Quality is at the heart of everything we do. We conduct thorough dimensional checks to ensure that each product meets our exacting standards before it leaves our factory.

Stress Testing

We go beyond the surface, conducting stress tests to ensure that our products can withstand the demands of their intended use, providing peace of mind to our customers.

☒ 40+ Years Expertise in wooden packaging & natural fiber products

Common series

Triple-Check System

Raw Material Verification

Our triple- check system begins with the verification of raw materials, ensuring that only the highest quality timber is used in our production process.

المواد من بالتحقق بنا الخاص الثلاثي الفحص نظام يبدأ في فقط الأعلى الجودة ذات الأخشاب استخدام لضمان الخام، لدينا الإنتاج عملية.

PART 01

In-Process Inspection

During production, our quality control team conducts regular inspections to catch any potential issues early, allowing for immediate correction and maintaining the integrity of our products.

عمليات بإجراء لدينا الجودة مراقبة فريق يقوم الإنتاج، أثناء مبكر، وقت في محتملة مشكلات أي لاكتشاف منتظمة تفتيش منتجاتنا سلامة على والحفاظ الفوري بالتصحيح يسمح مما.

PART 02

ISO 9001 Certification

Our adherence to Forest Stewardship Council (FSC) standards ensures that our products are made from responsibly sourced wood, contributing to the preservation of forests worldwide.

FSC Certification

We are proud to be ISO 9001 certified, a testament to our commitment to quality management and continuous improvement in our processes and products.

Load Capacity Tests

Our state- of- the- art testing lab conducts rigorous load capacity tests to ensure that our products can handle the weight they are designed to carry, guaranteeing safety and reliability.

Humidity Resistance Validation

We validate the humidity resistance of our products through extensive testing, ensuring that they can withstand varying environmental conditions without degradation.

Batch-Specific Documentation

We maintain batch-specific documentation for all orders, allowing for full traceability and providing our customers with the confidence that they are receiving a product that meets our high standards.

Quality Assurance

Our commitment to quality assurance means that every product that leaves our factory has been thoroughly inspected and meets our stringent criteria for excellence.
